THAT'S SO 1980'S!

Thursday, February 5th, 2015

LIBERTY GRAND, GOVERNOR'S ROOM - TORONTO

Dear Friends,

We invite you to get "Totally Tubular" with us and celebrate the CPBI "That's so 1980's" Charity Benefit at the Liberty Grand on Thursday, February 5th, 2015 as one of our evening's sponsors.

We are proud to be celebrating our 11th year hosting this outstanding event, which, to date, has donated over \$434,000 for Crohn's and Colitis Canada – an amazing achievement that would not have been possible without the support of our sponsors and business partners.

Since 2005, the CPBI Charity Benefit has helped fund transformational Crohn's and colitis research, education and advocacy so that every child and adult with these diseases can live their life to the fullest, and ultimately be cured.

Crohn's disease and ulcerative colitis are lifelong diseases. It means pain, urgent bathroom visits, hospital stays, multiple surgeries; and currently there is no cure. These are "the Canadian diseases". 1 in every 150 Canadian is living with Crohn's or colitis – a rate that ranks in the highest worldwide.

Crohn's and Colitis Canada and the Canadian Pension and Benefits Institute are continuing to work together to help make a difference in the lives of those living with Crohn's and colitis. Because of events like this and supporters like you, we have more reason than ever to have hope for the future of children and adults living with these diseases.

Please find enclosed our ticket package. We thank you in advance for your support and we look forward to making this year another sold-out event!
